

AUGUST 2015

National Night Out Sponsorship Opportunities

Throughout the month of August, West Valley City will join thousands of communities nationwide for the 32nd annual National Night Out crime and drug prevention program. In 2014 we estimate that over 10,000 residents participated in events hosted by the City or held in neighborhoods. The City sponsored, planned and hosted four safety fairs held throughout the month. Forty-four known block parties were held in various neighborhoods around the City. Finally, the City was involved in multiple neighborhood watch meetings, trainings and public speaking engagements. For ELEVEN consecutive years the National Association of Town Watch has recognized West Valley City as a National leader for communities with populations between 100,000 - 299,000. 2015 planning includes:
